Tour of the Airbus Plant

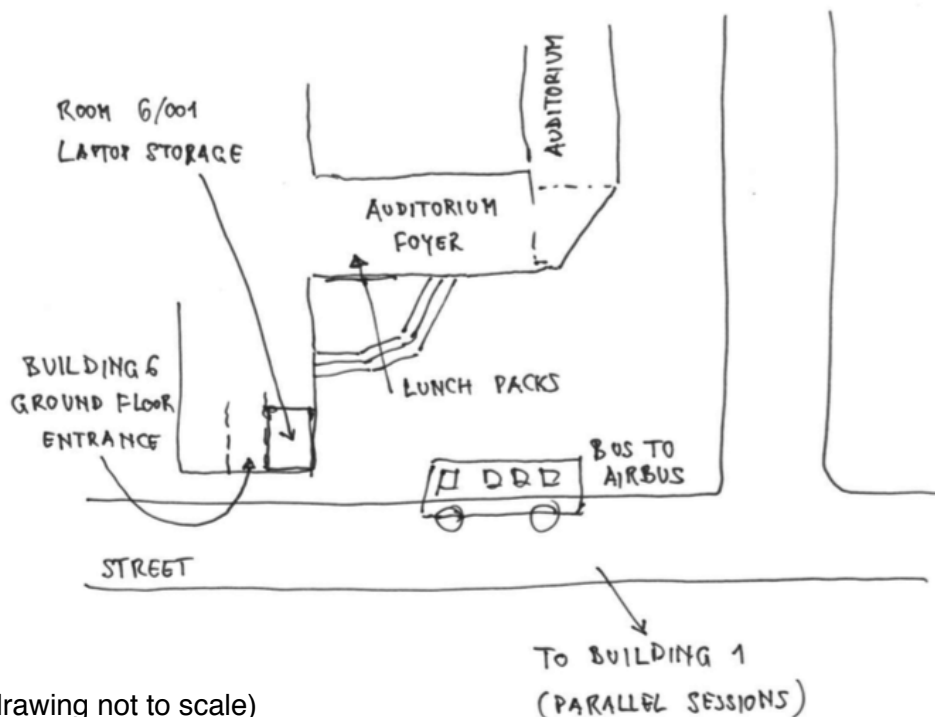

Thursday, 13:20 to 18:00

Since you will get close to the Airbus assembly lines, there are a few rules to follow.

- You must bring a **passport or national identity** card to the tour. Airbus will not admit anyone to their premises without. Other IDs (such as a driving licence) will **not** be accepted.
- **Laptops are not allowed** on the Airbus site. Before boarding the bus at DESY, you can deposit your laptop bag in a room that will be locked. Without a laptop, it is ok to carry a small backpack or handbag on the tour.
- The bus transfer from DESY to Airbus takes about 45 minutes, so you will have plenty of time to eat your packed lunch on the way. In the assembly halls, eating, drinking and smoking are not allowed.
- Please stay with your group during the tour and follow the instructions of the guide and the security personnel.
- Cellphones must be switched off during the visit, and it is not allowed to take pictures or make other recordings. Planes and plane parts must not be touched (these are real airplanes that will soon fly).

Tour schedule:

- Parallel sessions end at 13:00.
- Pick up your packed lunch in the foyer of the auditorium.
Deposit your laptop (room 001 in building 6, first door on your right) if you have one.
- **Busses board at 13:20** and leave at 13:30.
- Expect to be back at DESY around 18:00. Retrieve your laptop.

Enjoy
your
tour!
